PROFESSIONAL EXPERIENCE

JigroTech Solutions | SEO Intern / Digital Marketing | 6 Months | Jaipur

- Executed On-Page and Off-Page SEO activities to strengthen website visibility and search presence.
- Performed keyword research and supported keyword placement, metadata, tags, descriptions, and content optimization.
- Built backlinks through link-building, social bookmarking, profile creation, and referring-domain activities.
- Supported SEO-friendly blog writing, website content, service pages, and industry-focused landing pages.
- Worked on SEO activities for technology-focused topics including FinTech, banking, healthcare, real estate, AI, software, and digital services.
- Assisted with indexing-related SEO tasks and basic website/SEO checks.
- Conducted basic competitor and website analysis to identify content, keyword, and visibility opportunities.
- Managed and supported LinkedIn activities for company and leadership profiles, including content preparation, engagement, and profile monitoring.
- Planned and supported social media content across Instagram and LinkedIn, including static posts, carousels, stories, and reels.
- Created and coordinated Canva creatives, researched reel concepts, assisted with shooting/editing workflows, and selected suitable audio/trending content.
- Prepared captions, hashtags, post copy, and content ideas aligned with individual brand goals and platform formats.
- Scheduled social media content and coordinated publishing plans for campaigns, awareness posts, holidays, and brand content.
- Supported digital branding and online presence for multiple business projects, maintaining organized SEO and social media data in Excel.

Ocar Public School | Teacher | 1 Year

- Planned and delivered lessons according to students' learning needs and maintained structured classroom activities.
- Developed strong communication, presentation, coordination, organization, and time-management skills.
